28 – 31 October 2015

Theme: Building Local Capabilities in the Nigerian Metals Industry

NOTICE AND CALL FOR ABSTRACTS

Sub-Themes:
- Government Policy
- Industrial sustainability
- Manpower Development
- Sustainable Energy
- Research and Development
- Finance
- Infrastructural Development
- Information Communication Technology

On behalf of the Conference Planning Committee, we invite you to share your recent technical solutions and knowledge with the global metals industry. Submit a paper proposal outlining your technical advancement, research findings, new methods, case studies, or practical application in any of the aforementioned sectors of the metals industry by 30th August 2015. If your paper is selected, you will have the opportunity to present it at conference. Your paper may also be published in the Journal of Metallurgy and Materials Engineering (JMME).

The abstract tagged, ‘NMS 31st Conference Abuja’ should be emailed to any of the undersigned in MS word format and should not be more than 500 words. Please, note that the authors (or presenting authors) of accepted abstracts must register for the conference along with full-paper submission. PowerPoint presentation guideline would be sent to confirmed authors.
